

Mr B. Dixon, Dent village, Dentdale, aged 68

I helped him to haul a log up a hill, and then asked him about dancing. A short conversation, mainly about possible sources of information. But he also gave me the repertoire of dances in Dentdale in his young days, namely

Quadrilles	Lancers	Square-8
Highland Fling	Waltz	Polka
Schottische	Bar Dance	Veleta etc.

The Swinging-6 was going out in his day. Also people who were 20 years older than him had a "session for step-dancing" in the middle of the dances. This was some sort of Reel.
