

47. PEMBROKE ST.,  
BEDFORD.

Nov. 182.

Dear Mrs. Flett,

Thank you for your interesting letter which was sent to me from the 'Woman's Realm' office. I am enclosing the dance programme card for you to see & if you wish, to have a copy made of it. I am in no special hurry to have it back so you need not rush things! Altho' it is of no 'historical dancing' interest to me, I would like it returned as a keepsake, especially as it has won me a guinea! I am wondering how many ball programmes you have collected to date? You will see that I am sending this in the envelope you sent to Woman's Realm so there will be no need to refund the postage.

With all good wishes for your collection

Yours sincerely

Mary Cox —
