Dear Frank,

Another afterthought. Here is the tune of Hawkie from the Caledonian County Dances - is it the same as that of Ca' Hawkie on your Smooth except in verses shown for dotted notes.

recard?

Yours
Tom.

Ca Hawkie, Ca Hawkie, Ca Hawkie through the water
Hawkie is a swar beast and Hawkie wi'na wade the water

1. Hawkie is a bonny cow, though she wi'na wade the water
While she waits the wark'll stand so ca Hawkie thro' the water
2. Hawkie is a pretty cow, all the children do adore her
For she gives them all of milk, there is none they love before her.
3. Now young girls my counsel take, since that it may be
Gart off baith your here and shoen and drive her safely
through the water
