Dear Frank,

I am enclosing our five papers for this year and also the papers which were set by myself and the internal examiners for our Institute of Education - I would be very grateful if you could let me have your own Institute papers ~~in~~, since I am again ^{the Institute} external examiner next year.

We had Denis Smith & Nan Henry-Wilkins up here for a concert, and they were very surprised to see us, since you had mentioned to Denis that we were in Turkey. I must have misled you, because our visit is for next Spring, not this one.

I had to draw the music for our book, much to my disgust - apparently the printing of music is very expensive - and this together with the map for the front took an additional week which I could ill spare. I had also to spend much longer on the Institute paper than I had hoped, and I am now trying hard to get back on the maths book. Will you be up - these parts? We

Will you be up in these parts? We go to London for Jean's wedding on ~~we are just going down for the weekend~~ July 20th (she is marrying Ian - I forgot to say that first) & then we are

here until August 21st, when we go to Cornwall for 10 days. I am not sure whether I will go to Slivenham - it depends partly on how the book goes.

If you are up in the North we shall be very pleased to see you - alternatively perhaps I may see you ~~when I~~ a down for the Workshop weekend at Bisham at the beginning of October
