Dear Tom,

Can you get for me a
photo copy of

D. Montgomerie "Pointwise Periodic
homeomorphisms", Amer. J. Math
59(1937) 118-120?

We did not start getting
AJM until 1966, and I need
that paper urgently.

My work is going
very well, and I have
been given permission to
savage to spend next
year in the U.S.!

Yours

Frank
