

Last visit.

Over the Water: 10 steps originally. Only know 5 (these are all A.M. remembered. 17 secs. per step. Not done to "Over the Water" but to another time.* [My original notes say 14 secs.]. J.M. now says slightly more sober than H-laddie. [* A version of "Gillaan an fhaillidh".]

Step 1. (1) Side R, up behind R; (2) Hop 123 R; (3,4) ~ of 1,2; (5,6) Repeat (1,2).

Step 2. (1) 1. Hop on L & place R toe to L toe, L toe straight & R turned in, R heel to L heel, L toe slightly out, R at 45°.
2 _____
(2) Hop twice on L & round R to 5th near, but don't cut away. Move to L on this.

Step 3. (1) Hop 123 R; (2) Jump forward on R as in H-L step 5, & then on L.
(3) _____, (4) Hop back on L bringing R to a loose 5th aerial, Hop back again bringing R to near 5th aerial, & then drop on R cutting L away to 4th int.

Step 4. As ours. The "round the leg" is lighter than in Step 3.

Step 5 Over sixth:

The Hop 123.

Hop on L & "lift R up as far as it will go" & bring it in. When toe touches ground, beat with it; then beat with R in 5th front; & then L in 5th rear, ~~then~~ taking R off to next position.

in 4th int.
