

Hull team

GUEST TEAMS will be there from Europe, while from nearer home there will be such well-known combinations as the Loftus sword dancers, Chagford step dancers, Padstow hobbyhorse and Mayers, and various teams of Morris men.

The Hull team will be composed of Mr and Mrs G. Hirst, Mr E. Case and Miss S. Middleham, Mr Pinkney and Miss Newell, and Mr B. Boyes and Miss Dawson (Driffield).

The club, who meet every Tuesday in the Charterhouse-lane School, have Mrs K. Mitchell to instruct them. They were revived about two years ago, now have about 75 members, and have already invited the Durham dancers from King's College who danced Morris and other folk dances through the streets of Hull.
